

Class 3/4

What a busy class this is! They enjoy campfires, making pancakes and damper, playing games in P.E., working on the computer and Art.

They eagerly participated in Design and Technology units and loved making Rube Goldberg machines and Mouse Trap Cars.

In Science they have enjoyed making wicker and growing seeds.

They loved participating in Book Week and came up with some terrific costumes including Ned Kelly, Edward the Emu, Dave Warner the cricketer, Crocodile Dundee and the whole book week parade was finished off with a whip cracking demonstration by one of the students.

The Year 3/4s loved the photographic workshop conducted by Jim Filmer. They learnt about what makes a good photo, how to use a camera, went outside to take photos and then printed and framed their best. They looked amazing!

There are 14 students in the year 3/4 class. There are 4 year 3s and 10 year 4s. Jose Gomez is their teacher.

The Year 3/4s have been busy in 2017. They have become more independent at using a number of programs on the computer and have thoroughly enjoyed the brainticking activities especially pulling apart motors, picking carrots from the garden, programming the ProBots, going to swimming at

Noarlunga and playing a variety of sports in P.E.

The Year 3/4s can't wait for second term as this is campfire term! they will be cooking damper, marshmallows, sausages, eggs and banana's with chocolate!

The highlight for third tem will be the whole school camp at Illawonga. Going caving, learning how to drive a boat, collecting fossils and using the gigantic foam pit are all activities our students are looking forward to.
