From the Principal

A large, 3D, gold-colored number '2025' is centered on the page, casting a shadow below it.

Welcome Back to School: 2025!

Welcome to the start of an exciting new school year! We hope you had a restful and relaxing break, and we're thrilled to see our school buzzing with energy as we begin another year of growth, learning, and community.

As we embark on this journey together, we want to remind everyone that this year is filled with endless opportunities for success, discovery, and connection. Our dedicated staff is eager to support each student's unique needs, help them explore new ideas, and encourage them to strive for their personal best.

To our returning families, thank you for your continued trust and support. To those joining us for the first time, we extend a warm welcome and

look forward to building strong relationships that will help your child thrive both academically and socially. A big welcome to Keeley, Matilda, Peyton and their families! We are looking forward to welcoming Hudson and Kai as part of our Mid-Year intake.

Throughout the year, we will be offering various opportunities for parents and caregivers to engage with our school community. We encourage you to stay connected, participate in events, and reach out whenever you have questions or need assistance. Families can join the Kangarilla Primary School Parents Facebook page and/or the Kangarilla Primary School Playgroup. This will provide information, reminders and photos of school events.

We will be having a short school assembly each Friday morning at 9 o'clock. Parents and friends are welcome to join us. This will be especially convenient for Playgroup families as Playgroup starts at 9 o'clock on a Friday.

Each Friday afternoon we will be having our whole school STEAM activities. These activities may include Art, tinkering, cooking, construction and puppets.

If you have any old electrical appliances that no longer work, we would love to use them in tinkering. This could include toasters, microwaves, computers, old phones and cameras, air fryers etc.

The Kangarilla Primary School (Official page) – This will provide information about the 150th

This year we celebrate 150 years of education at Kangarilla Primary School.

Newsletter – Fortnightly

What's New This Year?

Classes for 2025
